**Nursing, Midwifery & Allied Health Professionals Healthcare Resources and related services**

For full details of the services and support your local NHS Library & Knowledge Services can provide

Visit: [http://www.library.ncumbria.nhs.uk](http://www.library.ncumbria.nhs.uk)

To find details of all the Healthcare evidence resources available to you free at work, or from home, visit NHS Evidence at [www.evidence.nhs.uk](http://www.evidence.nhs.uk)

All you need is an Athens password!

To register, or renew your Athens Password: [https://register.athensams.net/nhs/nhseng/](https://register.athensams.net/nhs/nhseng/)

You can search across a wide range of evidence based resources which are constantly being updated. These include: Cochrane Library, BNF & BNF Children, E-books, and NICE guidelines. Healthcare databases and journals e.g. MEDLINE, EMBASE, PsycINFO, PsycARTICLES, AMED, CINAHL, Health Business Elite, HMIC, Map of Medicine, much more…

SEE BELOW for more details and about some of the other key evidence resources

---

**Royal Marsden Manual of Clinical Procedures 9th edition**

The manual includes over 350 evidence-based clinical procedures related to every aspect of care, from hand washing to cardiopulmonary resuscitation.

This is available via the NHS Evidence website at [www.evidence.nhs.uk](http://www.evidence.nhs.uk) using an Athens username and password, or directly from your Trust intranet with no password required. For NCUH staff at [http://nww.staffweb.cumbria.nhs.uk/index.aspx](http://nww.staffweb.cumbria.nhs.uk/index.aspx) on the right of the page under ‘Resources’

---

**CINAHL (Cumulative Index of Nursing and Allied health Literature)**

CINAHL is a comprehensive and authoritative source of information for nurses, allied health professionals and others interested in health care. It covers all aspects of nursing and allied health disciplines.

---

**BNI (British Nursing Index)**

The British Nursing Index is a bibliographic database that indexes articles from the most popular English language nursing journals published primarily in the UK.

The index covers all aspects of nursing, midwifery and community healthcare from 1985 to the present and is updated monthly. This is also accessible via NHS Evidence [www.evidence.nhs.uk](http://www.evidence.nhs.uk) using an NHS Athens username and password.
### Library Resources Catalogue

To find out what other print and electronic books are available from your local Trust Library, Visit: [http://northcumbriallibraries.cirqahosting.com/](http://northcumbriallibraries.cirqahosting.com/)

These include links to over 1000 of Elsevier's eBooks; plus Oxford Medicine online textbooks, handbooks, & specialist collections including *Oxford Handbook of Prescribing for Nurses and Allied Health, Oxford Handbook of Midwifery* along with several others in the series.

### Other Clinical Support Resources

<table>
<thead>
<tr>
